

## MSc Advanced Computing Technologies schedule 2022/23

### Term dates

Teaching takes place over Autumn and Spring terms. Exams for the previous term take place at the start of the next term. The Summer term is given over to the project.

Autumn Term: Monday 3 October 2022 to Friday 16 December 2022

Spring Term: Monday 9 January 2023 to Friday 24 March 2023

Summer Term: Monday 24 April 2023 to Friday 7 July 2023

For college closure dates please consult our [website](#).

### Introductory talks

Introductory talks for new students take place in the week preceding the start of term.

### Locations

Personal timetables, including the teaching venues, are provided through [My Birkbeck](#). You are advised to check your personal timetable before each lecture because room bookings can change at short notice.

### Attendance

Students should attend lectures during term time as shown in the timetables. If students are unable to attend lectures, they should consult Moodle to obtain copies of any material distributed in class. It is especially important for international students that they inform the department about any absence. Any student who decides to withdraw from the programme should inform the Programme Administrator.

### Timetable

Students must complete eight taught modules from the options listed below. Students also complete a [project](#).

#### Autumn term

Day	Time	Module
Monday	18:00-21:00	<a href="#">Information and Network Security</a>
Tuesday	18:00-21:00	<a href="#">Data Analytics using R</a>
Wednesday	18:00-21:00	<a href="#">Applied Machine Learning</a>
Thursday	18:00-21:00	<a href="#">Cloud Computing</a>

#### Spring term

Day	Time	Module
Monday	18:00-21:00	<a href="#">Advances in Data Management</a>
Tuesday	14:00-17:00	<a href="#">Software Design and Programming</a>
	18:00-21:00	<a href="#">Internet and Web Technologies</a>
Wednesday	18:00-21:00	<a href="#">Data Science Techniques and Applications</a>
Thursday	18:00-21:00	<a href="#">Neural Networks and Deep Learning</a>
	18:00-21:00	<a href="#">Software Design and Programming</a>
