

MSc Computer Science schedule 2023/24

Term dates

Teaching takes place over three terms. For term dates and closure dates please consult our [website](#). Exams take place during the daytime in the first week of Spring and Summer terms.

Introductory talks

Introductory talks for new students take place in the week preceding the start of the Autumn term.

Locations

Personal timetables, including the teaching venues, are provided through [My Birkbeck](#). You are advised to check your personal timetable before each lecture because room bookings can change at short notice.

Teaching delivery

The Department is preparing for a mix of in-person, online, and flexible delivery in the coming academic year. Modules delivered in-person may also include additional teaching elements such as pre-recorded lectures or asynchronous online help sessions. Full details will be provided on the [Moodle](#) page for each module.
