

MSc Information Technology schedule 2022/23

Term Dates

Teaching takes place over three terms. Exams for the previous term take place at the start of the next term.

Autumn Term: Monday 3 October 2022 to Friday 16 December 2022

Spring Term: Monday 9 January 2023 to Friday 24 March 2023

Summer Term: Monday 24 April 2023 to Friday 7 July 2023

For college closure dates please consult our [website](#).

Introductory talks

Introductory talks for new students take place in the week preceding the start of term.

Locations

Personal timetables, including the teaching venues, are provided through [My Birkbeck](#). You are advised to check your person timetable before each lecture because room bookings can change at short notice.

Attendance

Students should attend lectures during term time as shown in the timetables. If students are unable to attend lectures, they should consult Moodle to obtain copies of any material distributed in class. It is especially important for international students that they inform the department about any absence. Any student who decides to withdraw from the programme should inform the Programme Administrator.

Full-time timetable

Full-time students follow the compulsory modules listed below, and a [project](#).
